Date 08 January 2019

Dear Sir / Madam,

EH689 – Village Street, Sheet – Carriageway Resurfacing

As part of the annual programme of works being undertaken by Operation Resilience we will shortly be undertaking carriageway resurfacing in Village Street, from outside No. 1 to outside Old Sheet House.

The works are programmed to start on Monday 5th February 2019 and are expected to last for two days, during which time the carriageway will be closed between 09:00 and 16:30hrs.

Prior to the resurfacing works it will be necessary to carry out minor drainage repairs which are programmed to start on Thursday 17th January and are expected to last for up to 3 days.

The above timescales are weather dependent. Any significant changes to the scheduled dates will be made clear on the yellow sign boards located at the works limits.

In order to help us to complete the work as quickly as possible, please ensure that no vehicles are parked on the road on the days of the resurfacing. **Please be aware any vehicles left parked on the road that prevent the works taking place, face the risk of being removed.**

For your safety and that of our workforce, we are unable to guarantee vehicular access to and from your property during working hours. Pedestrian access will always be available.

In order to avoid potential injury or damage, please do not walk across the carriageway during the works unless directed by a member of the workforce.
